How to find us

From M1 J25 take the road sign posted to Long Eaton. You will pass between 2 Hotels, one on either side of the road, you will come to a mini roundabout. Turn right and follow this road until you come to another roundabout. Go straight over this roundabout, straight over the next mini roundabout and then straight over the next roundabout and carry on to another roundabout. At this roundabout you will see the Train station on your right hand side. Go straight over the roundabout onto Fields Farm Road follow this for approximately 1 mile, until you come to another roundabout with the "Tappers Harker pub" opposite and to the right. Turn right at this roundabout, go over a level crossing and then you come to a mini roundabout. Turn right onto Meadow Lane and follow for approximately 150m, Meadow Brooks Business Park is the last gate on the right before you go under a Railway bridge. As you go through the gates onto the business park Webro is the large grey building in front and to the left of you easily identifiable by the Webro signs.
